TECHNICAL SKILLS

FRONTEND

HTML5 | CSS3 | Tailwind CSS | Bootstrap | JavaScript (ES6+) | jQuery | React

TOOLS & PLATFORMS

Git & GitHub | WordPress | Chrome DevTools | Figma

PROFESSIONAL SUMMARY

Computer Science undergraduate and frontend-focused developer with expertise in **HTML5, CSS3, JavaScript (ES6+), React, Tailwind CSS, and Bootstrap**. Adept at transforming complex design comps into pixel-perfect, responsive, and cross-browser-compatible web interfaces. Experienced with **WordPress theme development, version control (Git/GitHub), and Chrome DevTools** for debugging and performance optimization. Strong collaborator with a proactive mindset, excellent communication skills, and the ability to multitask across multiple projects in fast-paced, remote environments. Seeking an **entry-level frontend engineering or internship role** where I can contribute to high-quality web solutions and grow within a dynamic, remote-first team.

EDUCATION

Miva Open University — 2026 – Present
B.Sc. in Computer Science — 100 Level

Muslim Kids & Teens College (MTC) — Graduated
Primary & Secondary Education

EXPERIENCE

Content Manager & Social Media Handler — EchoTitbits — 2024 – Present

- Manage end-to-end content publishing on the company blog, coordinating editorial calendars to ensure consistent weekly output.
- Grew social media engagement by 40% through strategic posting schedules, audience interaction, and data-driven content adjustments.
- Collaborate with cross-functional teams to align content strategies with broader marketing objectives and brand voice.
- Monitor analytics across platforms to identify trends, optimize reach, and report on key performance metrics.
